Fire District No. 3

Township of Hanover, County of Morris

Workplace Tobacco Usage Policy

Purpose:

It is the desire of the Board of Fire Commissioners to promote the good health of its employees, guests and the communities that we serve. It is with the full realization of the hazards of tobacco products that the Board seeks to limit and/or prohibit their usage under the conditions outlined herein. It is with the full realization of the addictive properties of these products that the Board not only seeks to implement these prohibitions in phases, but will also seek to insure that all members of the District shall have available to them assistance in tobacco usage cessation.

Scope:

This policy shall encompass all employees of the Fire District, Career, Volunteer or Elected. It shall also encompass all persons on the premises and within the vehicles of the Fire District as guests, or in the employ of any vendor of the District.

Relevant Definitions:

Employee: An employee shall be deemed as being any person appointed by the Fire District in a full or part-time position, compensated, or non-compensated, providing Emergency Response, Support, or Administrative services for the District, or serving in an Elected Capacity.

Premises: Any real property owned by, leased by, or under the control of the Fire District.

Possession: Possession (possessing) shall include the control of said products on one's person, in one's District issued Protective Equipment and/or within any locker, mailbox or other similar storage area assigned to a specific person.

Tobacco Product: Any cigarette, pipe, or cigar, and snuff, dip or chew, and electronic vapor producing device

Tobacco Product Usage: Usage shall include the prescribed intent of the specific product, or the display of the product within areas so covered by this policy

Under-Age: Any person younger than the age as currently specified by the State of New Jersey permitting the purchase of tobacco products.

Vehicle: Any vehicle owned or leased by the Fire District, or any emergency vehicle under the control and/or occupied by any member or guest of the Fire District.
